

# NB22

Tomahawk Charitable Solutions (TCS) is a 501(c)3 non-profit organization that supports the immediate and ongoing needs for the Special Operations Forces (SOF) and law enforcement communities and their families. Through our events and related fundraising, we generate funds that TCS allocates to a select number of organizations that TCS has carefully vetted and can personally vouch for the highly efficient and honorable utilization of charitable funds. Our focus on the SOF and law enforcement communities is to provide financial assistance for medical, educational and other urgent needs, as well as support the affected families, as they navigate their lives during and after the fight. TCS operates with 0% overhead cost, allowing us to donate money collected to those who have sacrificed so much for our great country and their families.
